CSC 111E: Reading #1

Complete the following four tasks before midnight of Wednesday, 8/28:

1) Please complete the Emergency Contact Information form:
   https://docs.google.com/a/wfu.edu/forms/d/1Gl3h1Dnoa-vm19mbfIgcq9IIPS37XJPXuWJ9Pgeozb4/viewform

2) Watch this video about the field of computer science called "What Most Schools Don't Teach" :
   http://www.youtube.com/watch?v=dU1xS07N-FA

3) Read Section 1.2 of the textbook (pages 4-10). Ignore the blue "Tutorial" boxes and don't be overly concerned about all of the terminology listed – we will start to address the terminology in class on Thursday. Focus on getting the big picture

4) Complete "Reading Quiz 1" under the *Tests and Quizzes* menu on Sakai. Work alone, but feel free to refer back to the book and video.

Estimated time to complete: Emergency Contact Form – 3 minutes, Video – 10 minutes, Reading – 15 minutes, Quiz – 15 minutes
